3. is cancelled
4. is cancelled

In connection with the coronavirus crisis, the Dean of the Faculty of Civil Engineering waives the entrance examination in Mathematics to all applicants for study in Bachelor degree study programmes implemented at the Faculty of Civil Engineering CTU in Prague in the 2020/2021 academic year. The entrance examination waiver is not subject to special application.

V. DOCUMENTS SENT TO THE FACULTY AS PART OF ADMISSION PROCEEDINGS

Other potential enclosures:

- **is cancelled**
- 7. **is cancelled.**

VI. COURSE OF ADMISSION PROCEEDINGS

1. The entrance examination consists of a written test in Mathematics. The applicants for the branch of Architecture and Building Sciences also take **a graphic part of the entrance examination – submitting graphic works and documents testifying to their interest in studying Architecture in a digital format.**

2. The applicants for study programmes of Civil Engineering/Stavební inženýrství, Geodesy and Cartography, Building Engineering, Civil Engineering whose entrance examination has been waived pursuant to Par. 6 of Conditions for Admission to Study will be notified of the entrance examination waiver in the data base www.prihlaska.cvut.cz no later than by **1. 6. 2020**. These applicants will receive a written decision on admission to study after they have sent the authenticated copy of their school-leaving certificate to the Faculty.
3. The applicants for the study programme of Architecture and Building Sciences whose written entrance examination in Mathematics has been waived pursuant to Par. 6 of Conditions for Admission to Study will be notified of the entrance examination waiver in Mathematics in the data base www.prihlaska.cvut.cz no later than by **1. 6. 2020**. **The applicants shall submit graphic works testifying to their interest in studying Architecture in a digital format, in a single PDF file with a maximum size of 30 MB, sent at uchazec@fsv.cvut.cz no later than by 30. 6. 2020. Together with this document, the applicant's declaration of their own authorship of the submitted graphic works and the truthfulness of the communicated data must be sent in a digital format at the same e-mail address. Without this declaration, the works will not be evaluated. The works will be evaluated by a Board appointed by the Faculty Dean without the applicant's personal participation.**
4. **is cancelled**
5. **is cancelled**
6. remains unchanged
7. Evaluation procedure of **the graphic part** of the examination in Architecture:
 - graphic works created exclusively by the applicant: max. 3 points for each work, i.e. max. 9 points;
 - motivation sheet created exclusively by the applicant: max. 5 points;
 - **documents testifying to interest in studying Architecture**: max. 6 points;
 For the basic fulfilment of the requirements specified in Conditions for Admission to Study, the applicant will always receive 1 point for each submitted graphic work (with a maximum gain of 4 points in this part), while additional points up to the above maximum will be awarded by the Entrance Examination Board depending on the level of works and the manifested interest in **studying Architecture**, the total maximum number of awarded points being 20.
8. remains unchanged

VII. RESULTS OF ENTRANCE EXAMINATIONS

The point evaluation of the graphic part of the examination in Architecture will be entered in the prihlaska.cvut.cz data base no later than by 15. 7. 2020.

In Prague on 11. 5. 2020

prof. Ing. Jiří Máca, CSc.
Faculty Dean
