

FCE Organisational Rules

Article 1 Basic Provisions

1. The FCE Organisational Rules regulate the FCE internal organisation pursuant to legislation, other special regulations, the CTU Statute and other CTU and FCE internal regulations.
2. The Organisational Rules lay out the following:
 - FCE name,
 - FCE organisational structure,
 - basic obligations of FCE management staff.
3. The FCE Organisational Rules are obligatory for all FCE employees and students.

Article 2 FCE name

1. The FCE official name is:
České vysoké učení technické v Praze
Fakulta stavební
2. In international communication, the following foreign names are used:
 - in English: Czech Technical University in Prague
Faculty of Civil Engineering
 - in French: Université Technique Tchèque de Prague
Faculté de Génie Civil
 - in German: Tschechische Technische Universität Prag
Fakultät für Bauingenieurwesen
 - in Russian: Чешский технический университет в Праге
Строительный Факультет
 - in Spanish: Universidad Técnica Checa de Praga
Facultad de Ingeniería Civil
 - in Italian: Università Tecnica Ceca di Praga
Facoltà di Ingegneria Edile
3. The Faculty of Civil Engineering, Czech Technical University in Prague is also referred to by
 - abbreviations "FCE CTU" and "FCE",
 - shortened name "Faculty of Civil Engineering CTU".

Article 3 FCE organisational structure

1. FCE comprises the following workplaces:
 - departments,
 - experimental facilities,
 - service departments,
 - educational centres,
 - specialized workplaces,
 - Dean's Office.
2. The decision on the establishment, fusion, merger, division or dissolution of Faculty workplaces is made by the FCE Academic Senate on the Dean's proposal.

Article 4 Departments

1. Departments are FCE principal workplaces providing educational and creative activity. Departments are responsible for the development of study programmes and branches of science at FCE.
2. Within the FCE internal management and administration system, each department is an independently administered unit.
3. The department is headed by the Head of Department, who is appointed and recalled by the Dean. The appointment is organised by a selection procedure.

4. After discussion with the Dean, the Head of Department appoints and recalls the Deputy Head of Department. The scope of delegated responsibilities is specified by the Head of Department.
5. The Head of Department manages the department, decides on internal issues of the department activity and organization of work at the department and is fully responsible for the work of the department staff.
6. With the Dean's consent, departments may be divided into sections or other component parts (department laboratories, department research centres, etc.).
7. FCE departments are:
 - Department of Mathematics, administrative code K101, OU number 11101,
 - Department of Physics, administrative code K102, OU number 11102,
 - Department of Languages, administrative code K104, OU number 11104,
 - Department of Social Sciences, administrative code K105, OU number 11105,
 - Department of Construction Technology, administrative code K122, OU number 11122,
 - Department of Materials Engineering and Chemistry, administrative code K123, OU number 11123,
 - Department of Architectural Engineering, administrative code K124, OU number 11124,
 - Department of Indoor Environmental and Building Services Engineering, administrative code K125, OU number 11125,
 - Department of Construction Management and Economics, administrative code K126, OU number 11126,
 - Department of Urban Design, Town and Regional Planning, administrative code K127, OU number 11127,
 - Department of Applied Informatics, administrative code K128, OU number 11128,
 - Department of Architecture, administrative code K129, OU number 11129,
 - Department of Mechanics, administrative code K132, OU number 11132,
 - Department of Concrete and Masonry Structures, administrative code K133, OU number 11133,
 - Department of Steel and Timber Structures, administrative code K134, OU number 11134,
 - Department of Geotechnics, administrative code K135, OU number 11135,
 - Department of Road Structures, administrative code K136, OU number 11136,
 - Department of Railway Structures, administrative code K137, OU number 11137,
 - Department of Hydraulics and Hydrology, administrative code K141, OU number 11141,
 - Department of Hydraulic Structures, administrative code K142, OU number 11142,
 - Department of Landscape Water Conservation, administrative code K143, OU number 11143,
 - Department of Sanitary and Ecological Engineering, administrative code K144, OU number 11144,
 - Department of Special Geodesy, administrative code K154, OU number 11154,
 - Department of Geomatics, administrative code K155, OU number 11155.

Article 5 Experimental facilities

1. The basic task of experimental facilities (hereinafter referred to as "EF") is to provide departments with support in the field of scientific and research activity.
2. Within the FCE internal management and administration system, each EF workplace is an independently administered unit.
3. The EF workplace is managed by the Head, who is appointed and recalled by the Dean. The appointment is organised by a selection procedure.
4. After discussion with the Dean, the Head of an EF workplace appoints and recalls the Deputy Head. The scope of delegated responsibilities is specified by the EF Head.
5. The EF Head manages the EF workplace, decides on internal issues of the workplace activity and organization of work and is fully responsible for the work of the EF workplace staff.
6. With the Dean's consent, EF workplaces may be divided into sections or other component parts.
7. FCE EF workplaces are:
 - Experimental Centre, administrative code K210, OU number 11210,
 - Centre of Experimental Geotechnics, administrative code K220, OU number 11220,
 - Water Management Experimental Centre, administrative code K250, OU number 11250.

Article 6 Service departments

1. Service departments participate in providing educational, scientific and research, economic, and technical and operating activities at FCE.
2. Within the FCE internal management and administration system, each service department is an independently administered unit.

3. FCE service departments are:
 - Technical and Operating Centre (abbreviated as STPS), administrative code K305, OU number 11305,
 - Computing and Information Centre (abbreviated as VIC), administrative code K375, OU number 11375.
4. Each service department is headed by the Head, who is appointed in a selection procedure.
5. The Head is supervised, appointed and recalled by the Faculty Treasurer.
6. After discussion with the Faculty Treasurer, the Head appoints and recalls the Deputy Head. The scope of delegated responsibilities is specified by the Service Department Head.
7. Service departments are divided into:
 - Cleaning Service, administrative code K311, OU number 11311,
 - Facility Security Office, administrative code K312, OU number 11312,
 - Maintenance Office, administrative code K313, OU number 11313,
 - Archive, administrative code K314, OU number 11314,
 - Material Assets Office, administrative code K315, OU number 11315.The heads of the departments and offices specified in this paragraph are supervised and, after discussion with the Faculty Treasurer, appointed and recalled by the STPS Head.
8. The Computing and Information Centre is divided into:
 - Servers and Network Management, administrative code K376, OU number 11376,
 - Application Development and Management, administrative code K377, OU number 11377,
 - HelpDesk, administrative code K378, OU number 11378,
 - Audiovisual Support, administrative code K379, OU number 11379.The heads of the departments specified in this paragraph are supervised and, after discussion with the Faculty Treasurer, appointed and recalled by the VIC Head.

Article 7 Educational Facilities

1. FCE operates the following educational facilities:
 - Educational Facility Mariánská, administrative code K853, OU number 11853,
 - Educational Facility Telč, administrative code K866, OU number 11866.The heads of the educational facilities specified in this paragraph are supervised and, after discussion with the Faculty Treasurer, appointed and recalled by the STPS Head.

Article 8 Specialized workplaces

1. Specialized workplaces is a common name covering workplaces that further expand the FCE scope of professional activity in the field of cooperation with industry, scientific research and educational activities.
2. The FCE specialized workplace supervised directly by the Dean is:
 - Expert Assessment Office, administrative code K914, OU number 11914.
3. The FCE specialized workplaces supervised directly by the respective Vice-Deans are:
 - Accredited Testing Laboratory (abbreviated as AZL), administrative code K380, OU number 11380,
 - Editorial Office of Civil Engineering Journal, administrative code K356, OU number 11356.
4. The Accredited Testing Laboratory performs accredited tests.
5. AZL is headed by the Head, who is appointed and recalled by the Dean on the respective Vice-Dean's proposal. The AZL Head manages AZL, decides on internal issues of the AZL activity and organization of work and is fully responsible for the work of AZL staff.
6. The Metrologist and AZL Quality Manager is appointed and recalled by the Dean on the AZL Head's proposal.
7. The Accredited Testing Laboratory coordinates the activity of specialized laboratories:
 - Specialized Laboratory of Building Materials,
 - Specialized Laboratory of Building Structures,
 - Specialized Laboratory of Structural Mechanics,
 - Specialized Laboratory of Concrete Structures,
 - Specialized Laboratory of Steel Structures,
 - Specialized Laboratory of Road Structures,
 - Specialized Laboratory of Railway Structures,
 - Specialized Laboratory of the Experimental Centre,
 - Specialized Laboratory of the Centre of Experimental Geotechnics.

8. The Head of the Expert Assessment Office is appointed and recalled by the Dean.
9. The Head of the Editorial Office of Civil Engineering Journal is appointed and recalled by the Dean on the respective Vice-Dean's proposal.

Article 9 Dean's Office

1. The Dean's Office is a common name covering FCE administrative and economic workplaces.
2. The Dean's Office departments and offices supervised directly by the Dean are:
 - Dean's Office, administrative code K910, OU number 11910,
 - Dean's Office Affiliated Agenda, administrative code K911, OU number 11911,The Heads of the departments and offices specified in this paragraph are appointed and recalled by the Dean.
3. The Dean's Office departments and offices supervised directly by the respective Vice-Deans are:
 - Student Administration, administrative code K921, OU number 11921,
 - Department of Science and Research, administrative code K922, OU number 11922,
 - Department of International Relations, administrative code K923, OU number 11923,
 - Investment Office, administrative code K925, OU number 11925,
 - Department of PR and Marketing, administrative code K926, OU number 11926.The Heads of the departments and offices specified in this paragraph are appointed and recalled by the Dean on the respective Vice-Dean's proposal.
4. The Dean's Office departments and offices supervised directly by the Faculty Treasurer are:
 - Health and Safety Department, administrative code K912, OU number 11912,
 - Fire Protection Office, administrative code K913, OU number 11913,
 - Legal Department, administrative code K915, OU number 11915,
 - Economic Activity Office, administrative code K924, OU number 11924,
 - Personnel Department, administrative code K932, OU number 11932,
 - Economics Department, administrative code K933, OU number 11933,
 - Payroll Office, administrative code K934, OU number 11934.The Heads of the departments and offices specified in this paragraph are appointed and recalled by the Faculty Treasurer.
